To Whom It May Concern:

RE : HERMAN THE MAGICIAN

I retained the services of Herman the Magician for a corporate lunch we had on the 6th of July 2007 at the Longmeadow Piano Lounge in Fourways.

Herman was extremely entertaining. His acts kept our guests amused as they arrived and between meals. Long after he had left, guests still talked and speculated on how he did his tricks.

Herman arrived on time and stayed until his services were no longer required. He is extremely charming and friendly and I will recommend him to anyone for a fun way to entertain at any event.

Your sincerely,
