

Conveyor Manufacturers Association
of South Africa Limited

21st June 2007

To Whom it may concern

This testimonial serves to confirm that "Herman – The Magician" performed at the 34th Annual Dinner of the Association, held Wednesday 20th June 2007 at The Bryanston Country Club.

Many of our guests rated it probably the best Annual Dinner held to date and this in no small measure can be attributed to Herman's presentations throughout the function.

His "walk-about" presentations during the cocktail hour and after desserts, consistently brought localised applause, which added greatly to the ambience of the evening.

His, short stage presentation was also extremely well received by the 200 or so guests present.

In conclusion, a memorable evening, and sincere thanks to Herman for his major contribution.
