## REFERAL - HERMAN THE MAGICIAN

Herman was contracted to perform at an industry exhibition at our stand. The Exhibition was Lab Africa and it was held at the "Sun Dome" in Northriding, Randburg from 14<sup>th</sup> to 16<sup>th</sup> March 2007.

The event was very successful and the contribution made by Herman's excellent show to the success of the show was very definite.

We had at times, crowds of 20 – 30 people at our stand and people, who might normally have walked past, stopped to see what was taking place and Herman handed out specially made playing cards with our company details to the visitors.

Herman is very talented and has people totally amazed by his incredible skills. He also has a very good way of dealing with people and has all, young & old hanging onto every word.

We would most definitely use Herman's skills again if the occasion were to arise and can recommend him to any other potential clients as we have witnessed Herman's performance in various types of situations having seen him perform at a restaurant as well.

For any further information feel free to contact the undersigned at our office.
