HERMANN THE MAGICIAN : PRESENTATION AT BERTRAMS JUNIOR SCHOOL.

Hermann the magician presented a 50 minute show at my school this morning. The show was of an outstanding standard and kept the children and teachers entranced throughout. His skills are amazing and he has an excellent manner of connecting with the children. It is probably the best magic show we have had at my school in the twenty years I have been headmaster.

We wish him well in his career.

D PANTLAND
